KRT653003 HIGH QUALITY TOOL CABINET

This rolling tool cabinet keeps all your hand tools safely and neatly stored. It features an EVA liner work top and a seven drawer wide storage chest that can carry a weight of 25kg per shelf.

The tool cabinet is easy to roll thanks to its 2 stationary and 2 swivel casters. Each drawer includes an EVA liner so everything stays perfectly in place, even when moving the tool cabinet around. On top of that you can lock the cabinet so no drawers will open during transport. And if you happen to lose the key, a second one is provided.
