PRESSURE PUMP 1000W - POW67935

The Powerplus POW67935 pressure pump is the perfect device when pressure in the water supply is insufficient. Top performance in pressure and pump output. The tap water dispensers are switched on automatically when there is a demand for water – and are also suitable for sprinkler systems. It features a 20 litre stainless tank. The maximum suction height is 7m, the max. delivery rate equals 3500l/h and the delivery height 44m. This pump is suitable for water temperatures up to 35°C.
