WORKSITE RADIO - POWDP8060

Enjoying music during gardening or renovating? It's possible! Take the cordless Dual Power jobsite radio with you and get even more pleasure from your activities. You can store 20 favourite stations in the memory, or connect your smartphone (whether or not via Bluetooth) or a MP3 player to choose your own music. The radio's USB port is useful to charge your smartphone. In the workplace the jobsite radio operates while plugged in. On every construction site or in the garden, the POWDP8060 is powered by the 20V Dual Power battery.

Combine with the 20 or 40V DUAL POWER battery. Battery not included.
