POWE80015 OSCILLATING MULTITOOL 300W

This versatile oscillating multitool is markedly compact and light. It is the perfect choice for all small DIY projects around the house. You can use it to sand, cut, polish, trim and much more. This POWE80015 comes with the necessary accessories which can be switched easily thanks to the hook and loop system.

The POWE80015 has a capacity of 300W, which makes it a very powerful but lightweight tool. Depending on the job, you can adjust the speed setting. The soft handle provides the necessary grip and comfort, the 2m cable length gives you freedom of movement and the safety guard lets you work safely. Thanks to the lock-on button, you can concentrate on your work without having to hold the on button.

Included with this handy tool are a sanding base, a scraper, an E-cut blade and a segmented saw blade.
