POWE80080 BENCH GRINDER 150W

The POWE80080 bench grinder is developed mainly for the machining, roughly shape metal prior to welding or fitting and sharpening chisels, etc. and tools with cutting edges.

It comes with two fast-running dry grinding wheels (with 150mm diameter) for coarse and fine grinding, large glass shields for optimal eye protection and a tool-free adjustable tool support as support for object to grind and for a better control of angle grinding.

The 150 Watt motor, with up to 2950 rotations per minute, gives you all the power for grinding, sharpening and deburring of steel and metals, garden, kitchen and hand tools.

With low-noise, maintenance-free induction motor. Ball-bearing rotor shaft for long service life of the machine. Rubber feet reduce vibration and dust proof sealed switch ensures longevity of the tool.
