RECIPROCATING SAW 20V LI-ION (NO BATTERY)

This powerful Pro Power reciprocating saw is designed for intensive use. Cutting off dead branches, shortening thick sanitary pipes or quickly sawing through a bar? This 20V cordless saber saw can handle the toughest tasks and gets to hard to reach places. Besides, you can really move completely freely without the hassle of cables lying around. You are able to saw up to 150mm in wood and plastic and up to 8mm in steel. Add a stroke length of no less than 28mm and you dispose of very nice sawing capacities.

The efficiency and comfort of this reciprocating saw doesn't end here, because the blades can be changed easily thanks to the quick blade change system. The speed of the device can be set, with a max. rotation of 3000min⁻¹. You can be sure you will enjoy using this high-quality Pro Power tool for a long time, as it has a durable, brushless motor. 1 saw blade for wood and 1 for metal are included.

Separate battery and charger

Battery and charger are not included. They are sold separately and are compatible with the entire Pro Power collection.

Which Pro Power battery is compatible?

This 20V reciprocating saw is compatible with all 20V Pro Power-batteries. They are available in three versions, with a capacity of 2.0Ah, 4.0Ah and one with 6.0Ah that provides you with an even longer battery run time.

POWERPLUS

PRO POWER

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
