POWX00501

DRILL/SCREWDRIVER 20V LI-ION

This 20V cordless drill from Powerplus is a true all-rounder. It is suitable for most screwing jobs around the house, as well as for lighter drilling tasks. The direction of rotation can be changed with the press of a button, making it also possible to loosen screws. The cordless drill's two speeds provide a maximum of 400 to 1400 rotations per minute. This guarantees a drilling capacity of Ø20mm in wood and Ø8mm in steel.

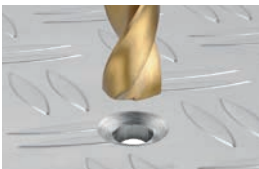

Its 10mm auto-locking chuck provides the necessary ease of use. The motor delivers a maximum torque of 35Nm. With its 18 torque settings, the tool can be adjusted to every screwing task. Its LED work light provides plenty of light to work in poorly lit areas.

The cordless drill comes in a handy storage case, including 3 batteries and a power adaptor. The battery packs have a capacity of 1300mAh each. Additionally, 12 screw bits and a magnetic bit holder are included as well.

TECHNICAL SPECIFICATIONS POWX00501		Features	Box content	Symbols
Rated voltage	20V	<ul style="list-style-type: none"> • LED worklight • 10mm keyless chuck • Left/right switch • LED battery capacity indicator • 2 functions: screwing/drilling • Quick stop • Soft grip 	1x drill/screwdriver
