## BRUSHLESS IMPACT DRILL/ SCREWDRIVER 20V LI-ION

This 20 V cordless combination impact drill and screwdriver is the ideal, versatile tool.

It can be used for tightening screws as well as drilling into steel (max. Ø13 mm), wood (max. Ø38 mm), and even stone (max. Ø13 mm). With just a push of the button, you can change the direction of the rotations, so you can both tighten and loosen screws. Its brushless engine makes the machine even more powerful and durable. Moreover, it reduces vibrations and the drill requires less maintenance.

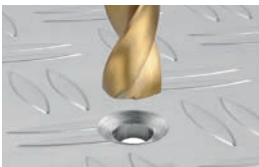

The soft grip handle provides the necessary user comfort and you can quickly switch between bits with the 60 mm auto locking keyless chuck. Easily adapt your machine to any project thanks to the 23 torque positions. The LED work light ensures a job well done, even in badly lit areas.

Additionally, this drill/screwdriver comes with 2 batteries and a charger.

TECHNICAL SPECIFICATIONS POWX00512		Features	Box content	Symbols
Rated voltage	20V	<ul style="list-style-type: none"> <li>• Brushless motor</li> <li>• 3 functions: screwing/drilling/impact drilling</li> <li>• Auto locking chuck</li> <li>• 2 speed settings</li> <li>• Quick stop</li> <li>• Led worklight</li> <li>• Soft grip</li> <li>• Quick charger</li> </ul>	1x brushless impact drill/screwdriver
