POWX0090LI LED LIGHT 18V LI-ION

Our Powerplus POWX0090LI is a compact rechargeable light with 9 LED bulbs. Ideal on camping sites, gardens, cellars or other poorly lit places. Not only the tool is conveniently light, also the Lithium-Ion technology gives your tool a greater power and it is always ready for use. In only one hour your 18V Li-Ion battery will be recharged. No memory effect, no self- discharge of the battery even when the tool is not used for a long time. Comes with a carry wrist strap and a pivoting head that allows to change the direction of the 30 lumen light beam. The bulb lifetime equals 20000 hours. The battery is not included.
