## POWX0260 IMPACT DRILL 650W

This 650W impact drill features a key chuck and can drill holes in wood (up to Ø25mm), concrete (up to Ø13mm) and steel (up to Ø13mm). The speed control enables you to choose the perfect speed from 0 to 3000min<sup>-1</sup> for drilling, as well as for impact drilling.

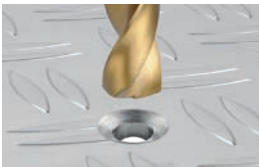

The chuck can be locked using its lock function, so you can work continuously. The device is comfortable to use thanks to its soft grip and the additional handle allows for a safe working position.

With the left-right switch you can choose the rotational direction of your drill, while the depth-stop enables you to drill multiple holes with the same depth. The perfect tool for when you need to switch between modes at the flick of a button. The impact function gives you even more power for drilling through tough materials.

TECHNICAL SPECIFICATIONS POWX0260		Features	Box content	Symbols
Rated Voltage - Frequency	230-240V~ 50Hz	<ul style="list-style-type: none"> <li>• Drilling/impact drilling</li> <li>• Left/right switch</li> <li>• 13mm chuck with lock</li> <li>• Depth stop</li> <li>• Variable speed</li> <li>• Soft grip</li> </ul>	1x impact drill	  
Rated power	650W		1x depth stop	
Rotation speed	0-3000min <sup>-1</sup>		1x auxiliary handle	
Impact rate	0-48000 strokes per minute		1x key chuck	
Chuck capacity	Ø13mm		1x manual	
Drill capacity	concrete / steel: 13mm wood: 25mm			
Power cable length	3m
