POWX0441 FINISHING SANDER 330W

With this 330W Powerplus finishing sander sanding large, straight surfaces, like doors and tables goes smoothly.

Its large 115x230mm sanding base suits this job perfectly. Moreover you replace the sandpapers easy and quickly with the hook and loop or the quick clamp system.

The speed control dial lets you select the right speed between 12.000 and 22.000min⁻¹. Thanks to the dust collection box you have a better visibility on the sanding surface.
