AIR PUMP 18V LI-ION

With one quick charge this air pump is ready for the job. With great ease, he can fill all four car tyres at once. You can also use it to inflate sports balls, beach balls, bike tyres, air mattresses, air swimming pools, etc. There is a pressure gauge so you can pump to the right pressure and a lock-on switch for continuous operation.

The air pump comes with a long, flexible hose and three of the most used adaptors: a ball adaptor, a tyre valve adaptor and an airbed adaptor. The 18V 1,5 Ah Li-ion battery is fully charged within the hour with the included charger. Everything is nicely stored in a BMC-case.

TECHNICAL SPECIFICATIONS POWX1700		Features	Box content	Symbols
Voltage	18V	• Lock-on switch • Ideal for inflating car or bicycle tyres, rubber toys, airbed and footballs • Long air hose • Also capable of slightly heavier work • 1h charger • Soft grip	1x air pump	
Battery capacity	1500mAh		1x tire valve adapter	
Max. pressure	8bar		1x ball adapter	
Airflow	35l/min		1x airbed adapter	
Flexible hose	0.5m		1x battery	
			1x charger	
			1x BMC	
			1x manual
