WINDOW VACUUM CLEANER 3.6V LI-ION - POWX371LI

With this window vacuum cleaner you will have the clean streak-free windows you always wanted. The window cleaner will suck up all the dirty water before it has the chance to leave watermarks or drip on the window sill and the floor.

With just this one device, you have everything at hand for sparkling, bright windows. The window cleaner has a built-in spray for cleaning fluid and comes with a separate cleaning pad.

The window cleaner with 3.6V Li-ion battery is light and flexible in use. You will work quicker – and with more pleasure – than with a traditional window cleaner and have a streak-free result every time.
