POWX901

HOIST 1000W 200/400KG

This 1000W hoist can be used in a single line cable configuration for a greater lifting distance (12m) or in a double line cable configuration for a greater hoisting capacity (400kg). The cable is made of strong steel and the control box is equipped with an emergency stop, so you can work in all safety.

Two hooks and fixation clamps are included.
