POWXB20030

ANGLE GRINDER 20V Ø115mm

The compact POWXB20030 angle grinder from our Powerplus XB line is easily manoeuvrable thanks to its light weight and the soft grip handle. You can conquer all cutting, grinding or deburring projects effortlessly with the 5 Ø115 mm grinding discs provided.

It is equipped with a durable and powerful brushless motor which requires less maintenance and guarantees a longer lifespan.

The charger and 2 20V batteries ensure you can get to work immediately. The batteries are compatible with all XB tools and they can also be bought separately.

What makes this angle grinder so safe to use, are the 2 safety guards provided. Use the open cover for grinding and the closed cover for cutting. This ensures that you will always be able to work safely with any of the saw blades included.

This angle grinder comes in a convenient storage bag so you can easily and neatly store away the device and its accessories, including the safety guards and spanner.
